Teams will then be lined up in order backstage and led to their spot on or around the stage. Should your check in time conflict with an award ceremony time, please make your way backstage in order as soon as you exit the stage, or you may be asked to remain on the stage if you are in the next division or group of divisions to be announced.

Award ceremonies will run on a continuous flow and may run slightly early or late. Check-in times and award ceremony times are estimated and are also subject to change.
