Spirit Showdown

The Spirit Showdown is a chance for teams to perform a dance showcasing their hometown, school or team in a unique way. There are no required movements. **Entertainment value and creatively showcasing a hometown, school or team’s unique style are each worth 20% of the score in Spirit Showdown!** Props are permitted, and any style or combination of styles of dance may be used. Turns, leaps, jumps, kicks, or tricks are not required. The team and dancers should display an ability to connect with the audience and provoke an emotional response (i.e., excitement, laughter, joy, and/or sense of drama) consistent with the spirit of this category.

The Spirit Showdown is not a cheerleading or song-leading competition, and teams should not feel bound to be “traditional” or focus solely on “sideline/halftime spirit raising” in deciding upon choreography, costuming or music. This category is an additional opportunity for teams to show the audience something that is entertaining, fresh, new and unique to their program. It also allows teams to take creative risks with very few rules and to have fun!

Because teams’ content should be very team-, school- and/or community-specific in this category, and judges may not understand the routine out of context, DTU will allow teams entering the Spirit Showdown at any DTU regional or national event to submit **a short description of the routine being showcased and how it fits this category.** Judges will have access to this information during the judging process.
